Salisbury is between Bath and Southampton some 95 miles from London.

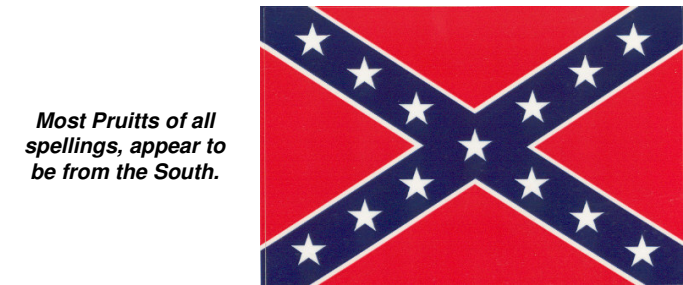

Prewitt is a Norman French Name meaning little valiant warrior. The first Pruitt(s) came over from France with William the Conqueror in 1066.

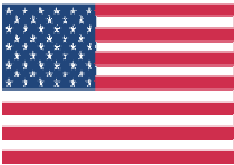

On June 2, 1636, Thomas Prewitt was granted his 50 acres of land in Charles River County, Virginia, "...being a neck of ground at the New Poqueson, west upon William Clark a creek, then east upon Thomas Harwood a creek. The said 50 acres of land being due upon him the said Thomas Prewitt for the transportation of one servant into this colony".

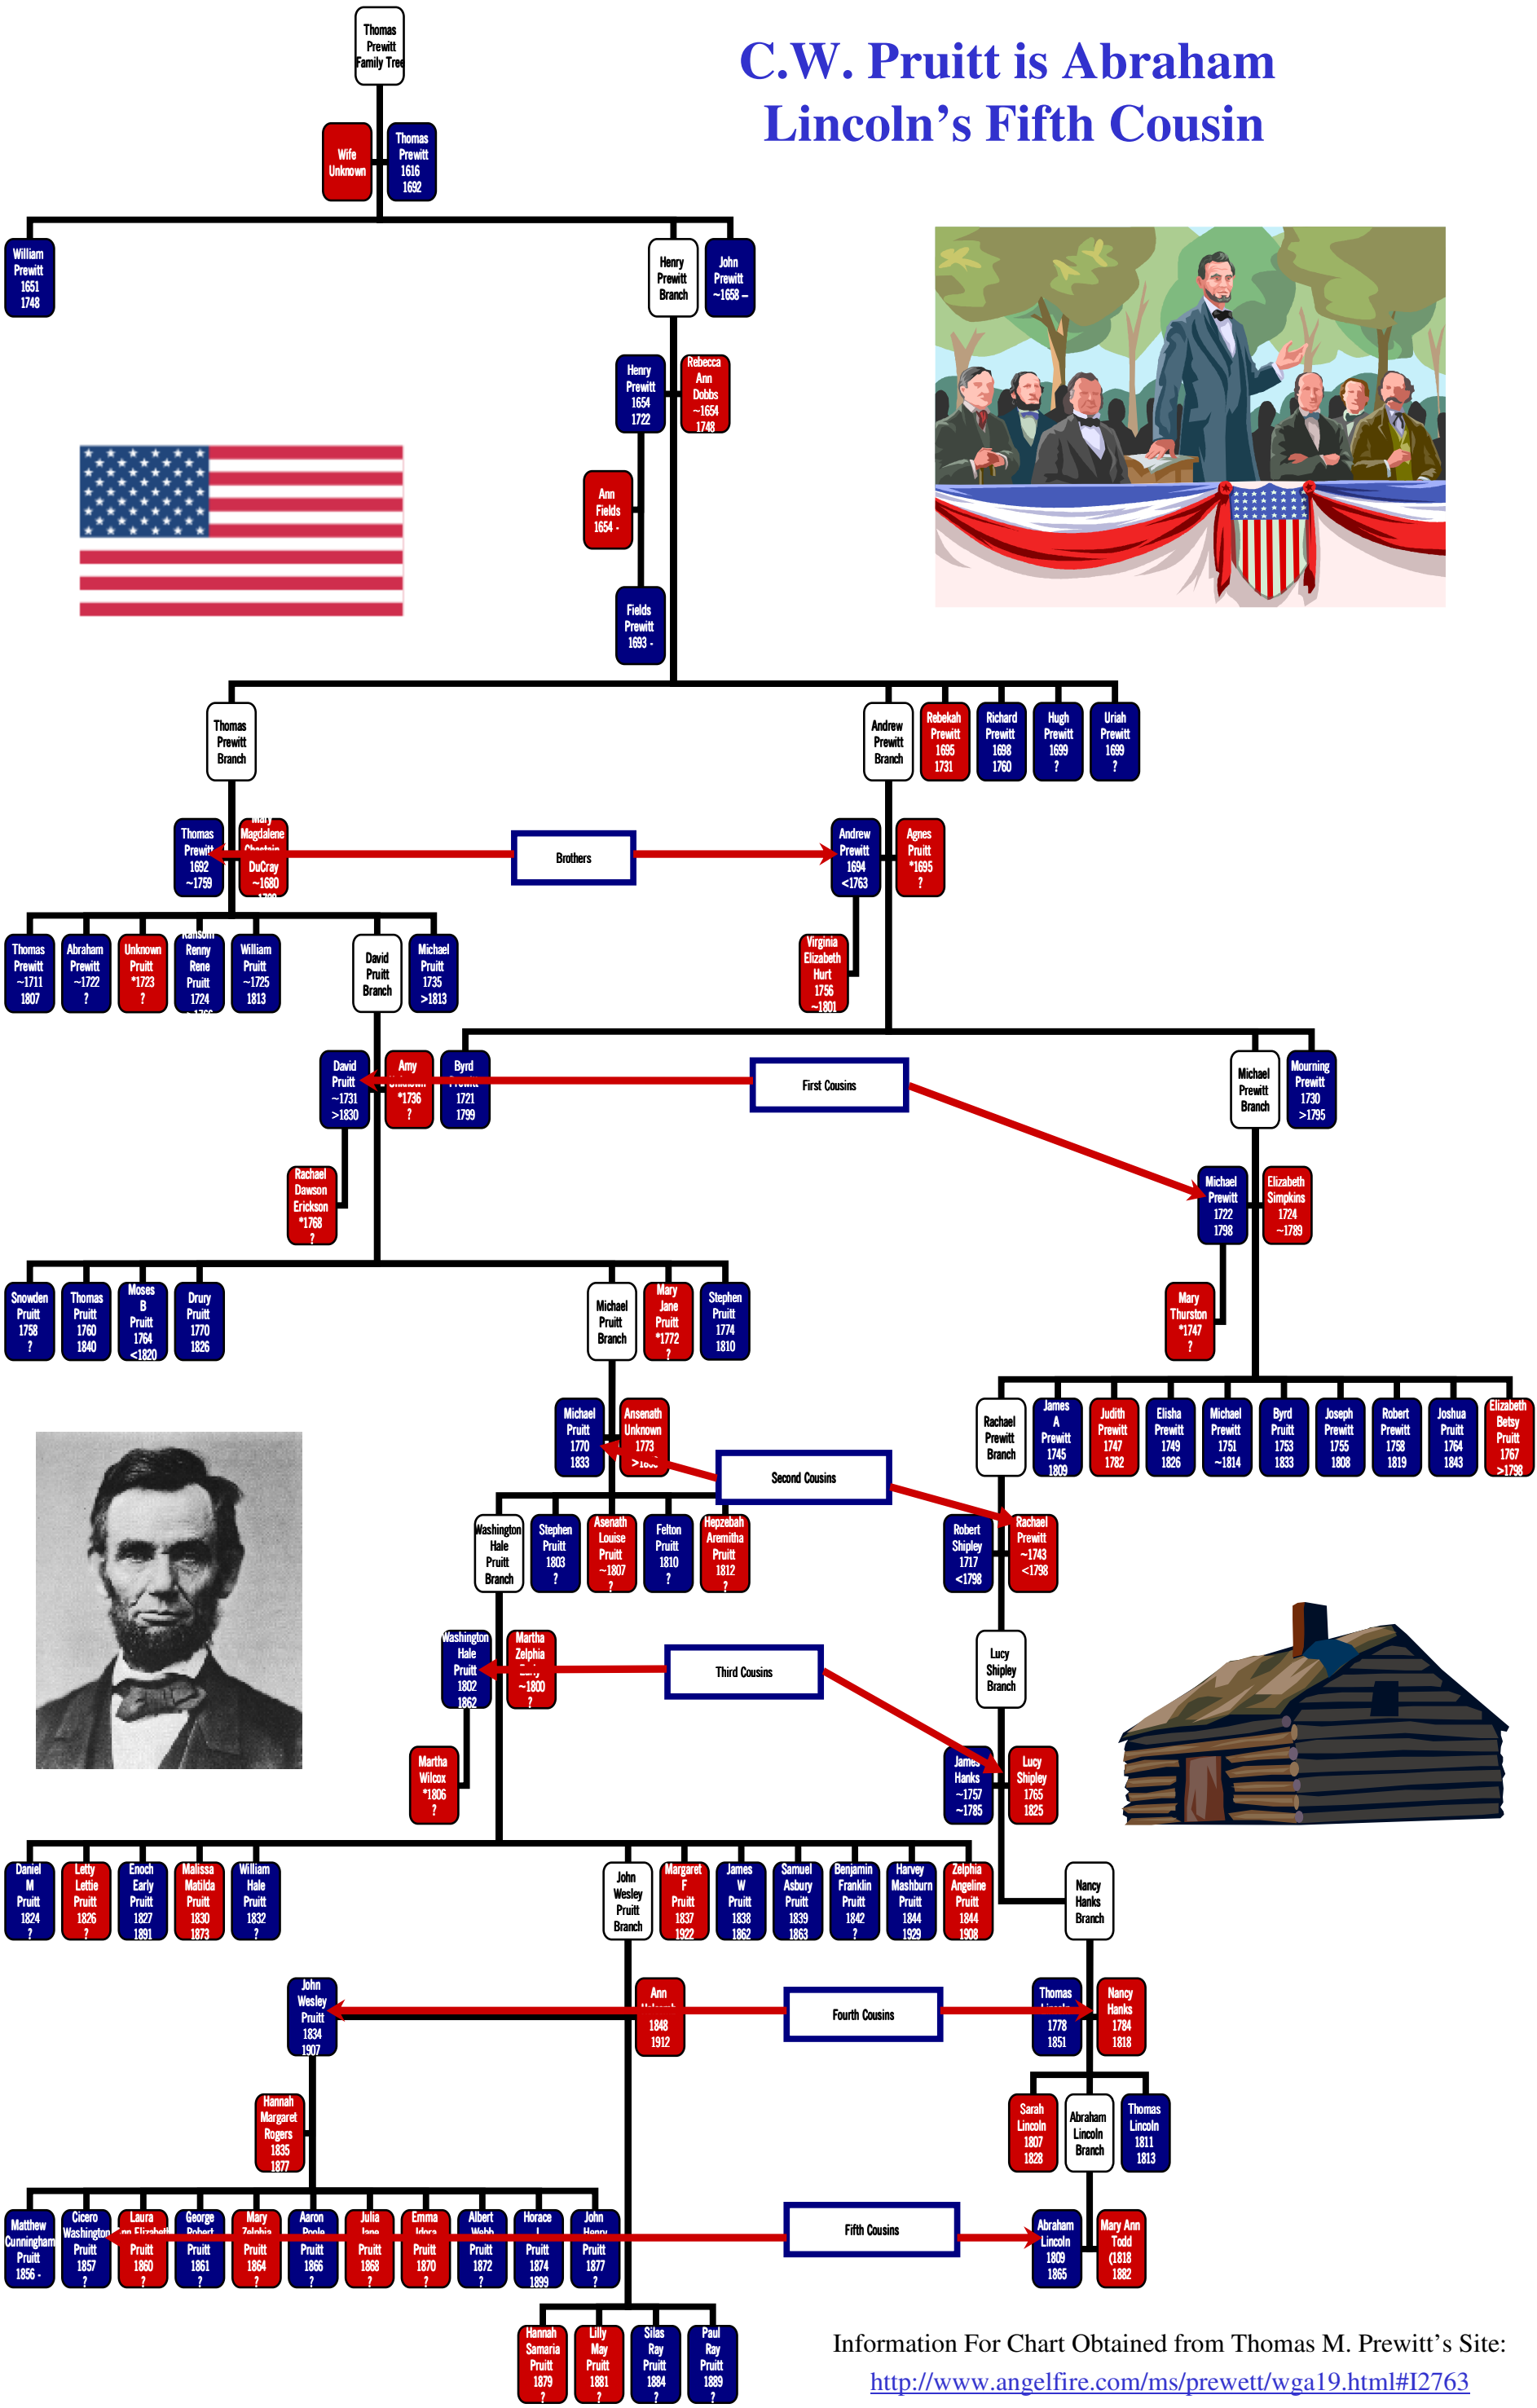

Although it's difficult to say for sure, it appears that this piece of land is East of Newport News between the James River and Chesapeake Bay on the Poquoson River (used to be called New Poquoson River). Harwood Mill Reservoir – presumably once Harwood Creek, is up and to the left of Poquoson River in the map.

Most Pruitts of all spellings, appear to be from the South.

C.W. Pruitt is Abraham Lincoln's Fifth Cousin
